“ I remember Marion's kindness, patience, humility and reverence for the Lord. She was an amazing listener and friend. She always made cookies for the neighbors to eat! She was welcoming, fun, and beautiful inside and out. My heartfelt condolences to Tom, Phil, and Julie during this season. May you all be comforted by memories, friends, and the hope of Jesus.

“ I remember so many wonderful things about Marion. Her laughter was contagious, family and friends were her priority. She had a radiance about her that shown in everything she did in life. Marion was a loving Nana to all of her grandchildren, and a devoted wife to Tom and mother to Julie and Phil. Remembering all of the happy times at Harsens Island with family gatherings. If one could choose a sister-in-law she would be that person. We always teased our husbands that they were lucky to be married to St. Andrew graduates. Marion had so many wonderful qualities leaving us with pleasant memories, a gift from her. I think you everyday dear Marion and shall always miss you Thank you for being such a great lady and making a difference in so many lives.

Love you,
Barbara

“ I remember all the good times we had in the old neighborhood near Dequindre & 16 Mile. Our driveways were right next to each other so on Halloween we would watch the kids come "begging" candy, but we were sufficiently fortified with our warm cups of hot chocolate. She was a great neighbor, friend, fantastic gardener and a beautiful lady.
