“ To the family of Marjorie - I am so sad to hear of Marjorie's passing. We had become friends over the years and supported one another throughout those years. I have very fond memories of our chats and the kindness she always afforded me. Your family will be kept in my thoughts and prayers through this difficult time.

“ What can I say about a woman I have known for about 45 years? Mom Westergaard was a very kind and interesting lady. I spent many days at her home, because Amy and I became friends. I got to know the family and became part of the family. I think one thing that stands out about Mom was she's loved her garden and she always knew how to make me laugh. She also analyzed my hand writing as well. One time I remember later on , She came to visit Amy and we met up at a B 52's concert, she was a hoot. She just went with the flow. She will always be part of my life's memories. God Speed Mom Westergaard. I'm sure Pops and Eric will be with you. ❤️

I was just talking about the time we saw the B-52's at Sterlingfest. Mom made me go on all the rides before the show started. She had a blast!
