“ *Lisa*

So sorry to read about your mother. She was always so kind and sweet toward us. We have nothing but fond memories of her from our "younger years" so long ago.

Thinking of you over the next few days and wishing you all the best.

“ Lisa - your mother was such a sweetheart. I drove down Glanzman just the other day and wondered how she was doing and if she was even still living in the "old" neighborhood. Marj was a delight to talk to - I know Tim always enjoyed spending time visiting with both of your parents... and, of course, you were the apple of their eye! I know you have many, many wonderful memories that will bring both a smile to your face and tears to your eyes. God bless you and may you feel His presence during this time of grief. Our moms are with us forever. Love, Cathy##imported-begin##Cathy (Mickens) Harrigan##imported-end##
