“ I am so sad to learn of my cousin Mark's passing. We grew up together as young children. We frequently visited my Uncle George and Auntie Eva's, Mark's parents. I had always loved my cousin, we are the same age and I have fond memories of growing up together. May you rest in peace Mark. And, I am so sorry for his family's loss.

I just heard about Mark's passing, what a shocker, I can't believe it! Mark, Shelley and I just enjoyed a beer together not that long ago down here in Florida at their beautiful villa. I didn't know him for very long but what a beautiful person and a great sense of humor. I'll miss you and my heart goes out to the entire family.

“ I've been a friend of Mark for over 40 years and it still very hard for me to believe he is gone. Gone way to young, when you think of friends you known this long you would think you would have at least and 20 years to hangout with them. RIP 🙏 my friend until next time I'll see you.

“ *Mark was my boss at Total Tan, one of my first jobs in high school. Mark was more than a boss but someone I looked up to like a father, me and him got super close and he taught me to have laughs about the silly things in life. Shelley and Mark ran the salon and welcomed me with arms wide open. We bonded over us both having a Golden Retriever and those days Mark and Shell would bring Sunny in and trusted me to take him outside for a potty break. It was the little moments like taking extra time out of his day to ask and make sure I was doing okay and if I was hungry and what I wanted from next door at Shores Inn. Feels like yesterday Mark and I were making jokes at each other and forgetting all our worries. Mark will be so deeply missed and my heart goes out to his dearest kids and his dearest Shelley, oh how he could talk about how much he loved you and those boat days with you! Love you Mark, will cherish our Total Tan days forever.*

“ *My husband and Mark were friends for 36 years. My husband just said out of all the concerts I have gone only 2 we're without Mark. We are blessed that Mark and Shelly were able to spend a weekend with Us upnorth 2 months ago. We still cannot believe he is gone and way to young. He will never be forgotten and live on in all the stories we have with him. Love Tim and Tennille VanBuskirk.*

“ Mark was one of the first neighbors I met in Venice Shores at the Island "Block Party" so friendly, greatest smile! Gave me a complete stranger a tour of his family home and his proud accomplishments. We both owned Tanning Salons, long story. Our daughters went to the same High School. We both just recently retired, and both owned real estate in Florida. He was too young and I know he battled 28 days in the hospital on a respirator due to a positive test of COVID-19. I still cannot believe that he is not here anymore. I will miss you, my dear friend! RIP Mark! Brian and Carrie Henke

“ Mark invited my brother, sister, and I to go boating on July 14 of this year. We spent hours joking, laughing, and reminiscing as the four of us had not all been together in many many years. Mark was always a joy to be around and a gracious host. Mark and I have been friends for almost 50 years now and have had so many great memories throughout. He will be sorely missed by me and my family as we all loved him very much. RIP my brother
