Fonzie and family you have my sympathy at this time, wish he and we had kept in contact more. The last time I saw Mark was in 2003, and he was in good health, we enjoyed his visit that day.

I grew up next door to Mark and through most of our childhood Mark was more of a brother than a cousin and I had learned a lot from him and he was always there when I needed a friend. Mark you will be missed and thank you for the wonderful memories.
