“ *Marlene had a magical way of making the days she shared with us feel extraordinary, turning a simple moment into a cherished memory. As we say to her farewell, I embrace the warmth of her spirit, the smile that never left her face and of her laughter. The love she always showed being with us during those holidays at home. You were so special to all of us.* ”

When Kenny and I returned to Michigan from Maryland where he was stationed in the Navy, I got to know his family and cousins. Marlene was always friendly and fun to be with. 😊

“ Marlene will always be remembered for her smile, sense of humor and her out going personality. She was so much like both of parents. Our family felt like she was an older sister to us instead of just a cousin, because of all of the time spent with the Odzianas. Marlene was also my godmother which made me feel extra special. I will never forget my wonderful memories of her.
