

Marlene Zimmerman

January 16, 1955 - November 27, 2011

Following a one year battle with cancer, Marlene passed peacefully with her family and parents at her side. Born in Detroit and raised in Roseville, Marlene graduated from Carl Brablec High School. Following graduation, she attended Macomb County Community College and St. Joseph Hospital School of Radiologic Technology in Mt. Clemens where she attained her x-ray technology registration with the American Registry of Radiologic Technologists. She was also an active member in the American Society of Radiologic Technologists until her retirement in 1989. She loved gardening, entertaining, trips to Puerto Vallarta and her pets, which she treated as part of her family.

Marlene was one of three children born to Harold and Mary Norman and survived by her husband Mike of 31 years. She was a loving mother to her daughter Lauren and her son Scott who were her pride and joy. Marlene is survived by two sisters, Cheryl and Darlene, son-in-law Brad, and numerous friends who shared her life and interests.

Marlene will be remembered for many things, but none more enduring or memorable than her generosity; her concern for others before herself, and her keen sense of humor that prevailed to the very end.
