Tribute Wall

“ *I am lucky to say I have known (and loved) you for 50 of my 62 years! I admired most your honesty and that 'I'm gonna tell it like it is' attitude. Still somehow talking with you made things so much better. I pray you have found peace with the three men who meant most in your life. Your sweet Don, your dad and your Lord. Life won't be the same without you.*
