We are so sorry for your loss. She was truly one of a kind, never without a smile and a sweet personality which always made you feel good to be around her. She was one of the most gentle, kind hearted and accepting people I knew, and this will be her legacy. Visiting with you guys last weekend and seeing the sadness on all your faces and the emotion of all who came to say they're last goodbyes was a true testament to the impact that she has had on so many people. We thank you for the opportunity to share that painful, yet precious time. Even as the years passed, and the time between seeing her lengthened, she was never far from our thoughts. It seemed that she would always be there, looking almost exactly the same, with that sweet smile, a pot of food, and constant concern for her" little" brother and his family. So now she rests, with the mother she loved so much, looking over you guys with that same sweet smile. Rest in peace Auntie, you will be missed.

All our love,

Steve & Kari Suchota and Family

My heart was sadden to hear of the loss of your mom. She was a co worker and friend of mine for many years. I remember her as a thoughtful person and a good worker. I think you may remember me Tina, back over at Rainbow when you would come help out in the kitchen. May you find peace in the beautiful memories you have of you mom.

Tina, Thank you for all you did for your mom's visitation to have those of us, who think so highly of her, be able to pay our respects to her. I know your mom was smiling down on you and your family for all the wonderful memories you were sharing. I could feel her warm smiling presence while I was there. May God's peace fill your heart.
