“ We are so sad to learn of Mrs. Dziurda's passing (thank you for the Christmas card Carol). (Had we known, we would surely have attended her funeral.) We remember her as a wonderful neighbor. May she rest in peace and her loved ones be comforted.

“ Sending our condolences to you all at this very sad time, aunt May will be sadly missed by us all, she kept up contact with us when our mum died, when we spoke to May on the fone after our mum died she said to us that we three belonged to her now that Kathleen had passed us over to her and that's how it was to be from then on, so thoughtful, it kept our mums name spoken and memories we all shared, aunt May did all this right up to the end when I know it wasn't easy for her as her own health was failing, she didn't want to let us down, so gracious and thoughtful, always putting others first, that's what made her so special.  
Know that you are all in our thoughts and prayers at this time.

All our Love
