“ *My mom and I were so sorry to hear of Martha's passing. We missed seeing her smiling face at the Festival this year. She was a hard worker and made everyone smile. Martha will be sorely missed.*

“ *Joe so sorry to hear the news about Martha. My Dad informed me today after viewing the St. Raymond Parish bulletin. If we would have known we would have visited you and Martha's family. Please know she held a special place in my heart. Her dedication to working elections at the township and being a good friend to my Dad along with you. He has told me past stories about Bingo's at St. Raymond's. We will both keep you and her family in our prayers and know she is resting well with God looking down on all of us. Maybe playing bingo or running elections....*

“ Sally and family,
I am so sorry for your loss. As you already know mom's are the foothold, the glue, the everything that unites a family. I never realized it till I lost mom five years ago, but that is when all that she has taught us over the years prepares us to be that glue for our family. Knowing you and all your family, your mom did well. I keep a picture of my mom with me all the time and everyday I remember a cherished moment over the years with her, I still have a life time of great memories and so will you. God bless to you and your family.
With love,
David Gorczewicz and family

“ To Martha's family,
We are so very sorry to hear the news of the passing of your mom/wife. Martha was a lovely, kind lady. Her friendship was treasured by my mother. She was a good neighbor, organized numerous events/activities and always seemed to look out for others. Her smile and waves of 'hello' will be missed by many. Know that you are all in my thoughts and prayers as you begin this new chapter in your lives. May your many happy memories soften these difficult days.
Love,

“ *Martha, you will be sadly missed. We enjoyed playing cards with you and Joe and the bus trips we took to the casino and we will miss that very much. God saw your tired face and the pain you were enduring and felt it was time for him to call you to his home in heaven. Your certainly will be missed very much, sorry we didn't get to do more things together. We send our sympathy and love to Joe and all your family. Love, Connie and Dick.*
