“ Uncle Marv will be missed by us all, and for many reasons. I was always amazed that he knew something about just about anything you would ask him, and on those rare occasions that he didn't know, he'd research it and then give you his opinion. He also knew how to do just about anything too! No matter what project Mike and I would be working on at the motel, he knew how to do it and we had to fight to keep him from jumping in and doing it himself! We were always tickled when Uncle Marv and Auntie Vi would pop in to visit during their after dinner trip to Tastee Freeze. He absolutely adored Nikki-girl and she never left his side when he visited. But of all the things I loved most about Uncle Marv was his love for our boys. He always enjoyed his visits with Nate and Steve at our place and when they stopped in to visit with him in Grindstone. They never seemed to have a shortage of fishing stuff to talk about and he loved the fish they would bring him to eat! One of my memories that I will never forget is the Uncle Marv look. You all know what I mean.....the tilt of the head just a bit to the side, his head tilted down just a bit, the wrinkle in the forehead and then the eyes.....I'll never forget that look because I also saw it in Bud, I see it in Jim, I see it in Mike and now in both Nate and Steve! There's nothing like the Uncle Marv look and I'm grateful I was fortunate enough to be blessed to see it for so many years and that it will continue to live on through all the Nichols men! Love to all, Rene

“ Uncle Marv was a quiet, soft spoken, gentleman. When he did speak he always shared words of wisdom, encouragement, and what I enjoyed most was his sense of humor. Uncle Marv loved dogs. If I ever wondered where he might be at a house family party, I knew he would have the dog on his lap spoiling them. I will surely miss him at the family events, as he was always interested in what you had to say. I will miss his shy smile. I will never forget the attentive care he provided for my Auntie Vi, especially in the recent years. I thank God for all of the years that I was able to enjoy him in my life. I will pray for comfort for all of his family, as I know they will miss him. I hope each and every day gets a little easier as time passes.

Love and prayers,

Connie Hennigan
