“ Mary Ann and I shared 2 amazing grandsons and she will be greatly missed by all who knew her. She had the ability to laugh at herself and seemed to be the anchor for a loving family! R.I.P. Mary Ann.

“ *I am grateful to Mary Ann for her role in raising her little brother Tom who grew up to be a good man and my husband. Mary Ann was a kind and wonderful sister-in-law to me for 67 years and I have many fond memories of us raising our children, time spent up north and celebrating birthdays and holiday dinners together. I will miss her terribly but am grateful for the times we shared. -Nancy Newman*

Delightful to see Great Grandma holding Jade, I remember talking with her at Jade's baptism last year. How nothing beats the calm and peace of holding a quiet little baby. We talked about their soft skin and the rhythm of their breath, how calming and peaceful it is. It will not be the same at Schiender gatherings not to see and visit with Grandma . Thankful for the many years Martha and Mark accommodated her needs in their home. It was extra special to see her at Peter and Santanna wedding as well at the many graduations and family birthday gatherings. How wonderful for your family to recall good memories like this past winter when you celebrated her 95th birthday . I heard she really enjoyed herself as she was surrounded by all of you. Thanks for sharing her with us . We are sorry for your loss. May all of the family feel her tender nurturing ways and feel comfort that she is at peace.

“ *Many, many happy memories of Aunt Mary Ann. Visiting the Pisarciks when they vacationed Up North, Holiday dinners, her Charlotte Russe cake made with 11 eggs, swimming in the pool with my cousins, to name a few. She was the real deal when it came to family values. To Aunt Mary Ann there was always an open door and room for one more. She will be missed! - Susie (Newman) Ferrell*
