“ *Just seeing this. She was my first grade teacher at Lessenger and made a lasting impression on my and my love of learning. We kept in touch through my graduation from college in 1971. Sending love and light. Cindy Fellencer*

“ *My condolences to her family. Mrs. Votruba was my first grade teacher at Lessenger Elementary School in 1963. She had not yet married, and I believe her name was Miss Szywalla (sp) at the time. I wrote to her in the 1980's, and she kindly wrote back, stating that the year she taught our class was her second year at Lessenger, and that she was planned to retire soon. I hope she had a wonderful retirement.*

“ *Mrs Votruba was my first grade teacher at Lessenger. Decades later, I still remember her. I recall a story she told us once of her Son, who I think was in college. After a break, she said they went to McDonalds and he ordered and ate 1 of everything on the menu. I'm sure she made a lasting impact and memories for thousands of students over the years.*

“ I'll remember Mary Ann by the delicious food she made and shared and a present she gave me..a Julie Goodwin calligraphy. “ What lies behind us and what lies before us are small matters compared to what lies within us”. A prayer for you and I hope you can send me some of your adventuredness. Greg Golbesky

“ Dear Mary Ann,

I will miss your beautiful smile and vibrant energy that made those in your presence feel good. I will miss our Scrabble games, your movie reviews, and putting up your Christmas lights when visiting. I will miss your encouraging words when playing in a golf tournament. I admired your adventurous spirit and world travels. We shared careers as educators, and you have so many former students who are better for having you as their teacher. You were always so welcoming to Bernie and I when we made our visits to Michigan. It was an honor and pleasure to know you and I will treasure these memories.

*Rest In Peace.

“ You were My Dear Dear Sister, I will miss you but now you are free of pain and I must let you go . BUT I will think of you when I am having Pizza, I will think of you when I go to a movie, I will think of you when I get the Sunday paper and all the coupons fall out. I can see you doing crossword puzzles, I can hear your unique voicemail message in my head. I know of no other person who traveled the world like you did . I have happy memories of our visits in FL and NC and pictures I can see every day. I know you loved going to Mass, it was your daily comfort. You were one of a kind and I was the LUCKY ONE to have had you in my life. When I saw you last in the hospital, you told me we were lucky but I think we were blessed. I was sitting on the bed with you in the hospital and we were watching an old movie I couldn't remember the name so I looked at you and said “I know you know the title of this movie and you looked up opened an eye and said William Holden , Love is a Many Splendored Thing. Yes it is!!!!
We are sad but nothing ever stays the same. You are in our hearts always.
Your Sister, Bernie
