“ *I share your loss deeply
I have wondered memories of my cousin. She was my babysitter
when I was a child. I worked with her at Detroit Edison. She always
had a joke and a smile. I will miss her. Love You Lou lou!, Lynn

“ *I am so sorry Mary Lou passed so suddenly. I remember visiting her
and Bob in Higgens Lake, Florida, Tennessee and Michigan.
Somehow we never made it to Alabama. It may be too soon for us
but was her time.*

“ Grandma Lou aka mary Lou boyes had been a grandma figure to me. I am thankful that grandpa and I had her in our lives as well as the whole boyes family. I'll never forget when she takes family photos at family get togethers and when she makes the calendars every year of everyone's birthdays and sends them in the mail. I'll never forget when we were visiting them and I assist her to help change the patches on grandpa. I also remember that she loved saramics and has sent me pictures of her and grandpas crafts, their vacations, especially with the Dolphins and pictures that we have taken together. She will be missed deeply and I hope she is having a beer in heaven.

“ *Blue skies smilin' at me
Nothin' but blue skies do I see
Bluebirds singin' a song
Nothin' but bluebirds all day long
Never saw the sun shinin' so bright
Never saw things goin' so right
Noticing the days hurrying by
When you're in love, my how they fly
Blue days, all of them gone
Nothin' but blue skies from now on
Blue skies smilin' at me
Nothin' but blue skies do I see
Never saw the sun shinin' so bright
Never saw things goin' so right
Noticing the days hurrying by
When you're in love, my how they fly
Blue days, all of them gone
Nothin' but blue skies from now on
Love,
Dawn*
