“ I was so sorry to hear about Mary Jo. She was a friend in elementary and high school. We spent a lot of time together along with other friends in the close by neighborhoods. Also at each others houses. We lost touch after high school but i have fond memories of her and her parents. Barbara Stanovich Tompkins

“ *Thad, Pat and Courtney*

Shirley and I were very sorry to hear about Mary Jo. Although we had lost touch over the past several years, we always considered your mom and dad very close and dear friends.

As you know Mike's mother and my mother grew up together. Once they were both married and had children; as we grew older we also became friends.

Mike and I went to high school together. We were both on the football team together, double dated, and did a lot of things together. After graduation, Mike went to St Francis, met your mom and the rest is history.

Shirley and I were married after your mom and dad, and continued a close friendship. We were still in Ft Wayne when Thad and Pat were born. Then we had Derek. We enjoyed many cook-outs, playing cards, and Shirley and Mary Jo baked Christmas cookies together every year. We had moved away from Ft Wayne when Courtney was born.

I did have a chance to talk to your dad, I think about six months prior to his death and then spoke to your mom after your dad died. We regret not staying in closer contact.

We just wanted you to know that we are thinking of all of you and you are in our prayers.
