“ Mary is a member of our east side Parkinson group. Super nice person ! She would always ask how I and my girls were doing. Every year she would give me a check donation for the Parkinson's Walk. She found that doing that was easier than logging into the website. Mary tried all of the exercises including boxing. Mary was a very active member of our group. We will all miss Mary. Greg Rettig

“ We are so sorry to hear of Mary's passing. What a wonderful, loving, kind soul! But she also had the strength to fight the battle of PD and never gave up! The Lord has said its time to rest now and be freed of the PD battle and pain. Rest In Peace our friend. We'll miss you. Love Ed and Maryann Cutlip

“ My deepest condolences to Mary's family and loved ones. I met Mary through the Young Onset Support group in Saint Clair Shores and I consider her a good friend. She was such a gentle soul it is no surprise that she was a kindergarten teacher. Underneath her gentleness though was a very determined warrior. She made the long drive to Parkinson's Disease functions, either alone or with her great friend Lynn, doing anything she could to keep the disease at bay. She also confided in me how reluctant she was to give up her driving privileges. May the good Lord welcome you home Mary, free from pain and PD, and may you rest in peace.
