Tribute Wall

“ I have so many memories of my beloved Mom . She was my Mother in Law but she was my Mom to me.it hard to pick my best memory of her cause there simply so many. Some of the greatest were the golden gems days the senior group they belong with. I drove the charter bus & took them on trips all over every month. In the early years Mom & dad took vacation trips with my family we drove to fla. For a week. They flew with us to Montana to visit my Sister Sue who had MS. I remember the early years at Mom place on 12 Mile & all the outside BBQ there. Throwing frisbee and swimming. I have memories to last me two lifetimes I love you very much and will always miss you Mom..... Leo.
