“ Mom, I hope you know how much I love and miss you. We sure had a good time at the beach and Cherokee. I will miss you very very much, but I know I will see you again some day.

“ Grandma, I will always miss you. You (and Grandpa), not only made me welcome in your home but also in your family. You always were sure to include me and let me know "I was one of you". I was proud when you introduced me as your granddaughter. I will have one less person to share Polish words with and talk to about the way things were , back when. The only comfort I have is that you are now back with Grandpa, Mom, Uncle Marv, and other family members. You will not be forgotten and I will see you again one day.
Your "Granddaughter",

“ *We will all miss you grandma! We have had many good times which makes memories that will last forever. Between you and grandpa, you had to be the responsible one and grandpa was the one always playing and joking; that made a great childhood for me - having the best of both. I don't know if you realized how often you would be on grandpa's case over something he said or done and when you turned your back he would be making faces or mocking you -- but always in fun --- you had your hands full! You were and always will be grandpa's princess/right hand. He loved you and his whole family more than any of us could imagine. Now rest in peace with your loving husband. I'll see you again some day!*

*Your loving grandchild,
Sondra*
