“ *Mary Jo was instrumental in helping me get my job as a Surgical Nurse at, what was then, just St. John Hospital. She was always there for me in those first few years: calming my fears, guiding and teaching. What an extraordinary professional she was. Her kindness was limitless . Her sense of humor was as well. I also had the pleasure of meeting her wonderful daughter Heather, who I believe was in high school at the time and whose locker was right next to mine! Many of my siblings saw Mary Jo last at my Father, Philip Hunt's 80th Birthday celebration. Our hearts go out to her immediate family and to all who loved her. Her suffering is over. She will rest in peace. Laura (Hunt) Ver Beek*

“ Words cannot express how deeply saddened I am that we lost you. You were a mentor to me Mary Jo in my younger years. Our career lives are so similar. You encouraged and pushed me to get my Nursing degree just as you did after working as a Tech! I loved getting together with you at family events to share stories about working in the operating room. We could understand one another. I will miss hearing the latest and greatest stories. I will miss you❤️

“ *Dearest cousin! Pam and I cherish the times we reconnected with you and Tom in Canada! I can still see you swimming everyday in the North Channel when all of the rest of us chose hot showers in the cabin. For all of your family in Southern climates, the North Channel in the summer is only for the very brave!! We are forever connected spiritually in happy memories. Love Pam and Herg*
