“ My always loving neighbor who loved all “muchy much”. It was so endearing to see the love and care she had for her family! From the “ don’t like” list of foods she made sure to remember, to the poppy seed bread she’d mail, to the precisely cut and weighed fruit cakes each December, the pictures and stories of all her dear grand children, to the afghans she’d crochet. She was always, and I mean always, thru tough times too, a positive uplifting friend. I will remember her love of animals and always having treats for my pups, the memories she shared of the grandkids coming over in the summers with friends....” I’ll get you the first drink and then you’re just like family, get your own and the fun at the lake lot with go-carts! She was strong physically-always amazing me with her stamina, and as we all know, strong emotionally, often comforting me just with her kind words. May she forever be in Gods arms and in our hearts.
