“ How embarassed I am to be sending condolences at this late date. I've known Mary, Joe Sr, Joey & Don as far back as I can remember. Our families went on vacations together, ate meals together. Mary, Joe & Don came to my husband's service after he passed April 24, 2005. I would have recognized Mary anywhere, she hadn't changed one bit. Joe, Don & your families...know that you are in our thoughts and prayers.

“ I am so sad to hear of Mary's passing. Mary was my Mom's (Dorothy Pinti) best friend. My mom passed in October 2014 and Mary passed on my Mom's birthday. They were like sisters. They were neighbors when they lived out on the lake in Pennsylvania. We all loved Mary very much.
Prayers for your family

“ Dear Petco Family and Friends,
I wasn't privileged with the remarkable acquaintance of Mrs.Petco as you were,but it saddens me to read of your loss. Please accept my family's sincerest condolences. It brings great comfort to many to know that the Almighty God and Creator promises us in his word the Bible, that soon death, mourning, outcry, and pain will be no more. May you have peace

“ *To The Family Of Mary Petco:*

My mother and I were saddened to read the notice of Mary's passing in today's newspaper. After I spoke to her and her daughter in law in January we were both looking forward to seeing her again. I have so many pleasant memories of our families friendship over the years which began in Detroit in the late 1940's when we were neighbors on Gallagher Street. Those memories continued at least into the late 1960's and the large colonial home which you owed in Warren where our family sometimes visited yours. Both Mary and Joe Sr. we're always very kind to me and I will always miss them. Unfortunately, we do not have any photographs of either Mary or Joe in our possession. However, in my mind I can still picture what they both looked like and their personalities from years ago. We are both thinking of you all fondly.
