

Mary Margaret Powell

July 27, 1949 - October 29, 2024

Mary M. Powell passed away peacefully on October 29, 2024, at the age of 75, in Detroit. She was born on July 27, 1949 to Louis and Margaret (Plegue) Beauvais in Mt. Clemens. Beloved wife of 50 loving years to Michael R. Powell. Loving mother of Christopher (Karen), Nancy (Tom) Szabelski and Jason (Anida) Powell. Loving and proud grandmother of Catie (Joe), Andy, Ben, Ian, Ava, Layla and Adam. Proud great grandmother of Maddie, Nora and Atlas. Dear sister of Joan (Ted) Ausfeld. Loving aunt of several nieces and nephews as well as many cousins who were dear to her heart.

Mary led a full life with her family close to her heart. She travelled to all 50 states-something she was very proud to accomplish. She always had a kind word to say to people and her positive attitude never wavered no matter the battle or struggle she may have been up against. Her love and passion for life will forever be an impression on anyone she met, and lessons of always being honest and kind will never be forgotten. Mary always made time to help others through her countless hours of volunteering. She was a loving wife, a shining light to her kids, and an example of compassion to her grandchildren.

“ Dear Mike, Jason, Nancy, my heart is so saddened by Mary leaving us so soon. She was a wonderful person, always smiling and offering ways to be of help. You and Mike were always there for my son Richard and if not for their friendship being best buddies, I never would have known this amazing Powell family. May God's light shine down upon you and give you peace at this difficult time. Much Love, Cheryl Isquith (Rosenbusch) and family. ❤️

“ To Joan and all of Mary Margaret's family, I have such wonderful memories of our childhood. We grew up across the street from one another after we were born. We spent almost every day playing in the sandbox and playing childhood games. She was such a blessing. Hoping all of the memories you made with Mary Margaret help you through this difficult time.
