“ *Mary will be missed for our evening get-togethers at restaurants and leisurely walks in the neighborhood, and fun conversations about our kids growing up and going to the same schools.*

*God will take care of you John, her devoted husband who has been by her side through all the treatments and pain. And God will take care of Cheryl, Adam and his sister as you heal and support each other from the loss of a special person. She was always willing to help others in any way she could. “ Dear John and family. I am saddened by the loss of dear sweet Mary. She was a wonderful person respected and loved by many. I still use her recipe she shared for her kapusta and tell anyone who asks that I got the recipe from Mary. She was so nice to everyone. May she Rest In Peace in Gods loving arm's. Till we meet again

“*Mary and I have been friends since 1963 when we were neighbors. We had many fun chats and I loved doing her hair. We have stayed friends even though I moved to Arizona, but always managed to get together when I went to Michigan and when John and her and Mary and her grand kids visited here. I will truly miss her and our phone calls but one day we will be together again in heaven with our heavenly Father. Love you Mary. Blessings, Loreen*
