“ Dear Martin & family,

*I was so sorry to find that Mary had passed away. She was one of my best friends when I worked at the Federal Reserve Bank with her in the late forties and early fifties. We worked in the same dept. and were close friends spending much time together at work and outside of work.*

*Mary was undoubtedly the sweetest & nicest person I have ever known and I know what a great loss her death must be to the family. I hope and pray that you find comfort in remembering all of the wonderful memories of her,  
(as I have).*

*Mary was an angel here on earth and she is now with Our Heavenly Father, her dear husband Robert, and the rest of her beloved family who preceded her in death.*

*With deepest sympathy,*
