“ *Mary Lou is my oldest sister and the first sister to pass away. We were able to love her and share the end of time with her. I will miss her very much. We didn't share much time at the end of her life but I remember a lot of time with her when we were younger. We have the sister book left and I hope that we include her in it with many memories. I love you Mary Lou and will miss you very much. Lots of love, Lois*

Beautiful in Blue - June 17, 2021 at 12:00 AM

“ We met Wally and Mary at Houghton Lake camping many years ago. Each year we would see each other and catch up, fish, play cards and enjoy each other's company. Mary was always a great companion for mom as they seemed to have a connection which allowed Mary to know what mom needed or wanted to "say". Mom is heartbroken to have lost such a nice friend. Our family is so very saddened with this loss of a wonderful lady. Mary will be truly missed! Love and prayers from the Vaughn family

“ Sharon, Rick, Miranda & Tyler, I'm so very sorry for your loss. Aunt Mary Lou was a pillar of strength. She went through more in the last year plus than most people go through in a lifetime and you wouldn't know it when you spend time with her. Always full of so much love and great stories and remembers everything. I wanted to find a good picture to share and I thought why not the first and last sister pic that I have. I hope you know you are all in my thoughts and prayers and I will be there in spirit on Saturday. Love you! Julie Hammill
