“ So many memories that I can share from childhood to now. But Most recently whenever we all got together for LCR night or just because I would start laughing at something and have tears coming down and Aunt Mary Ann would say there Kimmy goes and she would just start laughing right along with me. ❤️

“ One of my favorite memories with Aunt Mary Ann was when I spent the day bumming around and running errands with her after we dropped Davey off at hockey practice. We just went to the bank and Target, nowhere “special.” But afterwards she got me a hi-c orange and nuggets from McDonald’s. I think I was 9 maybe? I don’t remember why I was even over their house that day, but I just enjoyed being there.

“ *When we had our annual "Sisters" Mothers Day Weekend" at Diane cottage on saturday Maryann and I would walk down the road just talking about little things. It was a very relaxing and peaceful walk. After a little while we both said oh I think its's time to head back.*

We also worked in the same building for about a year. In the mornings we would send a message one of us would pick up donuts or bagels and say meet you in the stairwell in 2 minutes before work started.
