“ *My condolences to Mike, Karen, Shannon and your families. I am deeply sorry for the loss of your Ma. A true giver from the heart and day brightener with a witty joke. She will be missed greatly. We lost one great soul, but Heaven has gained one more. Here's to a beautiful lady inside and out. Love you.*

“ I've shared a birthday cake with my Gran every year since I was born. When I was little she used to tease me and tell me I was older than her because my birthday was the day before hers! I don't know how I'll get through this year without her. I love you Gran, and I'll think about you everyday <3

“ My Auntie with the most amazing sense of humor and the kindest soul...you will be dreadfully missed! You built a beautiful, strong family who all share your wonderful spirit. A piece of you is there in every one of them. You will be in my heart always and I will think of you every time I hug my Kathleen (which is a lot)! Tell my Daddy I love him and miss him! You two behave and don't get into too much mischief!

Love always,
Dawn
