“ To the Queen

*The Queen of the office you are to me,
all of us loved you, in our minds
you will forever be.*

*Each morning you greeted us with a
dependable smile, ready to keep
order, it was just for a short while.*

*The professional tact in every
challenge faced, some unreasonable by
far, you acted with such grace.*

*Not just the timekeeper, bookkeeper and
more than administrative teacher,
but a friend with an ear to be
such a good listener.*

*Client's could call and you knew every
question, from the top of your head
without even checking.*

*A beautiful heart, that even came out
in your handwriting, I knew from the
start your time was so valuable.*

*There was so much yet to be learned,
and not just about the office.*

*A life so rich, I want to learn how she
did this.*

*So Let it be said, I feel so ripped
off, and.....*

*To sound like a sap, it will all be
missed, the talks we shared, picking
hay from your hair, sneaking a peek
of pictures of Ike and grand kids
without a care.*

*Live what you love, was the most
important lesson you taught, even if
scared, get on that horse and show it
who's boss.*

*Queen Mary, in Heaven above, spurs on
and riding your dream, know that you
made a mark in many hearts and will
never, ever be forgot.*

*Our Prayers to your husband and family who we know you loved so
deeply.##imported-begin##Assistant To Mary Imielowski##imported-

“ Dear Ted & Family.....
how taken aback we were to read in the Windsor Star about Mary's passing!!!!
I simply could hardly believe it....
Even though our paths hadn't crossed in the last few years- we still have fond memories of all the great, fun filled times we all had together at the horseshows!!! The most outstanding is when we all piled into the "Haywgn" and attacked Valerie.....Mary"fingers" one of the ones heading up the "assault"
oh what a time we had.....
She is one of the people that will ever remain in our memories.....
May the emptiness of not having her nearby to touch & speak to be tempered with the knowledge she will ever remain in your hearts and be as close as a thought.....
Many prayers for you & yours;

“ To Ted, Kids & Grandkids,
I have had the wonderful pleasure of working with Mary for the last 3 years. I will miss her teasing us all the time, her laughter still rings in the office, her many stories about all of you and her lke. I can still hear her laugh and the love in her voice as she would speak to the grandkids on her cellphone. It was a treat to listen in and laugh with her. She loved all of you so very much. Her presence here on earth was a big one. Her spirit will always remain here and in my heart. My prayers go out to all of you.##imported-begin##Vicki Hart##imported-end##

“ Ted, there doesn't ever seem to be the "right" words to say at a time like this. Mary was so proud of her family. She couldn't wait for her grandchildren to get big enough to take in the lead line classes at the shows and even the stick horse classes . She didn't even mind when they won an ice cream cone and it would "leak" a little on their new outfits!! She had a great smile and a heart just as big. She will be missed by all of us who knew her. “ Wendy & Dee,
Its times like these that we are shocked the most. And its times like these that we become thankful for what we still have. I am so sorry to hear of your Mom's passing, I know you were very close to her. And she seemed like such a wonderful lady, she was always a very kind and welcoming person each time I met her. And she touched my heart on how she welcomed Dee and my family into her heart, what an amazing woman. Ted, I am so sorry for your loss as well, as when I have spoke with you to always talked so highly of the love you shared with your wife and how she was your sole mate.

My Mom and I tried to stop by the funeral home yesterday (Sunday) to offer some support and pay respects, however to our surprise the services were not going on. (thanks Aunt Lulu) Anyways I wish I was there to lend a shoulder. If you need anything give us a call.

*Condolences from all of us to all of you.

“ To my friend, my confidant, my horse show buddy and my Wednesday "therapy night" partner. Eight years of Wednesday nights my friend and all of them were fun! I will miss you always! You were much loved by your beautiful family including the 4 legged members and all of your many friends . God speed Mare-Mare, and may you take with you on your final ride to comfort and keep you warm the sound of your horses gentle nicker, the feel of his warm breath in your hand, the soft caress of his velvet muzzle, and the feeling of complete freedom and abandon that you experienced every time you sat on his back. May your last ride to heaven be your finest! See you again on the other side of the Rainbow Bridge. Your friend for ever, Love Laurie###imported-begin###Laurie Forrest###imported-end###

“ *Ted.....so very sorry to hear that Mary passed. Although I haven't seen her in a couple of years I have thought of her often. I couldn't believe it! She was so full of life! We did have so much fun together at the horse shows at Mason. Remember the evening we super soaked Val at the show. What a great time that was. I hope you know how much she will be missed and what fond memories she gave to everyone who's life she touched. God Bless*
