“ *Diane, my heart goes out to you and your family at this time. But we know in our hearts your Mom is in a good place with all her family. How lucky to have had her all these years as you know I am experiencing those same times with my Dad. Love to all of you...##imported-begin##Fran Haezebrouck##imported-end##*

“ *I was a little girl when Mary 1st came into my life. I can see her hanging clothes on the line when Diane was a baby and Eddie was home on leave. We have many memories of our visits with Mary and Patti in later years and she always had a smile. Her family is just as wonderful as Mary and she appreciated the close family they are. Thank you for our many years of sharing your family with us.##imported-begin##Dorothy Damm##imported-end##*
