“*Marylou was a genuine soul, always full of life with a song for every occasion. She leaves a legacy of love, laughter, and limericks and so many fun and cherished memories, from singing her original songs, to her concerts with the Sweet Adeline’s, to driving around in her Cadillac spreading cheer to everyone, to dressing up in her costumes and hats for fun & laughs!*

Marylou was a caring friend in times of need and was truly a dedicated nurse to students, staff and families at MISD. She will be missed but she is set free and singing with the angels! My love goes out to Marylou's family and to her friends. Heaven gained an angel! Marylou memory lives on in the hearts of all who loved her! 🕊️

“ As a neighbor of MaryLou's for 6 years, I had the honor of getting to know her several times, wishing it could have been more often, but it would be difficult to just spend time sitting on our decks, as I was caring for my elderly mom and dad, living with us. Gladly MaryLou met them too and we spent a pleasant day, sharing an espresso on our deck together, with her cousin visiting from out of town, talking about Italy. She was so interesting to talk to hearing of all her accomplishments, and always joyful, kind and fun. I admired her very much. Berto and I send our deepest condolences to her family, noticing your constant care with your mom in the last months of her life, no doubt she cherished having you there with her. Blessings and prayers for healing to you all. Anna & Berto Guidi

“ Marylou was the kindest, most caring soul with a joyful sense of humor. She had many friends, and this is no wonder. Having her be a part of East Pointe/Shoreline Sound was wonderful for all of us. I am so thankful to have known her.
