“ *My deepest condolences. May you know I am praying for your family at this time. Matthew will always be with you; we never really lose our loved ones. I remember Courtney as a friend of my daughter, Gail Richards. Even though I never got to know Matt that well, I feel your loss. I believe that God calls us for a higher purpose. May you be comforted always knowing you had such a fine son. Your friend, Dee Richards.*

“ *Words cannot convey the sorrow I feel for your family's loss and my own. My former students were as my own children, loved for the time we were blessed to learn from each other, then sent out into the world to thrive. God will welcome you, sweet Matthew, and hold you near until we meet again.*
