“ Matt was the best friend of my son Jody. He called me "Dad." I will miss my son. He was a great friend, a man with a big heart, an amazing mechanic and a super guy! His intuitive impressions were always accurate. James McNabb

“ My Uncle Matt was so funny. He was always cracking jokes and making me laugh. He is a big part of my life. He helped me out with school and cheered me up when I was sad. He was very sweet to me. I miss him and love him a lot.

“ *Having known the family for 28 years, I considered Matt my little brother. He was always a very soft-spoken and gentle guy and always very kind to me. He was talented with working on cars and was always willing to share his wisdom, words of advice and his helping hand. The past several years we were not in contact as much, but I still looked at him as family. He'll be missed. I love you, little brother!!*
