“ I sure miss Matt a lot and I think about him to this day. I am sitting here with my 6 yr old son and I was telling him about Matt and it hurt a little- he asked me "do you think Matt would have played war with me?" Of course he would have..... Rick Rybicki 248 798 2779. Jan 9 2019

“ I didn't know Matt, but my son Rob did. When Doug Barnes called to let Rob know about Matt, I had to tell him that we also lost our wonderful son last August to the same dreaded fate. I wanted to come to the funeral home, but I just couldn't bear it. The pain is still too great. We loved him with all our heart and soul, and miss him terribly every day. We buried him last august 22, the day before his 27th birthday. His obituary is on [www.schultzfuneralhome.com](http://www.schultzfuneralhome.com). I also, want to let you know, if ever you feel the need to talk to someone, please feel free to call me at any time. My number is 772-5806 You and your family are in our thoughts and prayers.##imported-begin##Mary Lou Gentry (Rob Gentry's Mom)##imported-end##

*This is rick rybicki.... i am soooooo sorry for the loss that the rucinski family has... its years ago, but so you know, i think about matt everyday even now 2018... i loved that guy like my own brother. I am not perfect, and i never will be but i got my act together many years after matt passed. Nobody knows from the neighborhood because i dont want that life anymore. The truth is... matt didnt either. He was a better friend than i deserved. I will always ALWAYS love him for who he really was.*

*“ We are so sorry for your loss, we will miss him forever. If there is anything we can do just let us know, we are here for you. We loved Matt and still love him. When you are missing him just look up in the sky and look at the brightest star and know that is him looking down on you, letting you know he is ok.*
