“ *Mo I will miss your smiling face on six North. I will miss your amazing family. They always made me feel like I was an honorary member whenever I was in their company. I wish we would have met under different circumstances but nonetheless I am fortunate that I had the privilege to have been in the presence of true love. I will continue to pray for your family Mo.*

“ My heart goes out to the family of Maureen. Loss is never easy and hopefully this may help a bit.

I remember the first time I met her because she did what many don't when meeting new people, she hugged me like she knew me forever. From that day forward she always had a smile when I saw her. I'm glad to have known her and the world needs more of her spirit. God bless her for that.

“ *Maureen was our receptionist at Dr. Chase's office. She was always positive and bubbling with enthusiasm. She loved her husband, children and grand children very much. She often talked about them with her adventures and travels with her family.*

She was very efficient but she made you feel special and took an interest in you as a person. She even went out of her way to bring you gardening seeds and down loads for gardening that she and her husband enjoyed.

Maureen will truly be missed and we can only hope she knew how much she meant to us. We hope the positive, energetic life she shared will help her family and all of us through this difficult time.

“ To the Landrum and Burzynski Families – We are so sorry to hear about Maureen. Though it has been quite a while since we’ve seen Maureen, we still remember the times that were shared along with her husband Steve. Good times. We met both Maureen and Steve through our Best Friends, Linda (Maureen’s sister) and Jami Cork. You can definitely tell that Linda and Maureen were sisters in so many ways...but the real cool thing is how close those two were. Our hearts go out to all of you. God Bless you all.

“ I was saddened to hear of your death in a heartbreaking call from your dad last night. You were a unique and wonderful woman. I so enjoyed our encounters at Dr. Chase's office. You were fun and funny and so full of life...a loving soul who had so much concern and consideration for others. I respected and "felt" the worry you went through with your mom and the concern you had for your dad, yet, you were hopeful and positive. To be sure, you will never be forgotten, but thought of often in the days that come and go. Rest in peace Mo. Caring thoughts and deepest sympathy to your family and especially to Joe and your mom.
