“ Maurina was such a kind soul. Very wise beyond her years. I met Maurina through my cousin, Becca. We visited the Michigan Renaissance festival every fall together. I'm so sorry for your loss and I will be thinking and praying for your family and friends.

“ To the family of Maurina, my heart goes out to you completely. She was such a light in this world. She was always trying to learn something and was always willing to lend a hand whenever it was needed. She was so nurturing and made everyone feel so good. She had a stuffed rhino personally sewn for my son, just one of the countless sweet things she did. I, and her entire work family, will miss her everyday.

“ To the family and extended family of Maurina. I'm not sure that anything that I could say right now would help but my deepest love and prayers for your family is what I am sending your way. Maurina was the sweetest and lovely girl. We only have to look to the Lord and know she is in his tender care now with other loved ones and hopefully that could give us some comfort
