“ It's been about 9 weeks since we lost you and my heart is still heavy. You were the best Mom anyone could ask for and you loved us unconditinally. I know we had our moments but tha ts because we are so much alike. I've cried everyday for you I miss you so much. You were my shoulder to cry on, my ear when I needed to vent and also my very best friend. Until we meet again😞 I love you

Sherri, Robin, Bobby and Ann Marie....my deepest sympathies to all of you! You know your "mom" was like a "mom" to me and I will always treasure my childhood days of growing up with you all. I especially loved hanging out at your house and your mom always made me feel welcome! I'm sorry I didn't find out until after the funeral. I would have loved to pay my respects. Will keep you all lifted up in prayer! Love to you all....Stacey Hickman and family
