“ Dennis,
My heart goes out to you for your loss. I heard the excitement you shared with others on having Megan in your life. I know your time with her, as short as it was, is full of memories. Always look to the good ones as blessing provided by God.
I pray that your time on earth will reflect on all that was good in your relationship.
May God continue to bless you until the day you are reunited with Megan.##imported-begin##Craig Weidner##imported-end##

“ my dear megan - your journey of faith has led you to the arms of the One you have chased - and have been chased by all these years! You are celebrated for leaving a huge imprint on all blessed to have walked alongside you for awhile... a mentor, a leader, a friend, a precious daughter. Put in a good word for us down here as "having not laid ahold of it yet... we press on toward the call in Christ Jesus." Phil.3:14 Oh, and send some angel arms around dad when he least expects it and most needs it! tm##imported-begin##Teresa Mora##imported-end##

no longer will i feel your embrace.
