“ I met Melissa during two very difficult periods for my family. My uncle and brother were treated by her at Dr. Muskevick and Dr. Howards office. She was so sweet and kind. But more than anything she was one of the only people who actually seemed to sense how much we needed calm reassurance. She made the impossible understandable and calmed our fears. She was an Angel among us and we are sad to have lost her. I'm sure she will be greatly rewarded in Heaven. I'm sure that she will be a great Guardian Angel to her loved ones.

“ Missy was so kind and sweet. She always asked about my family first and had a true interest in others. Her calling was to help others. She touched so many lives in ways we should all strive to do. She left the world a better place. Vincent and Zach have a close angel watching over them. She will be greatly missed

“ *Dear Tony, Vince, and Zach,*

*I met Melissa through Magahay elementary. My daughter Lauren and Vince were in the same grade so I seen a lot of Melissa when the kids were young. She was such a kind sweet person and was so glad to have gotten to know her. Though I didn't get to know you and Zach as well, your son Vince is such a kind hearted young man just like his mom. Although there are no words that could help at a time like this, I am so very sorry for your loss and may God wrap his loving arms around you all and comfort you. I know Melissa loved the word of God, and she is in Heaven watching over all of you!*

“ I worked with Melissa and became very close to her through our shared love of our kids and soccer. She was always a light to be cherished here in the office and will be dearly missed. I am not able to attend the services to say my goodbyes, but know that I loved her very much. She was an amazing person with a beautiful soul. Her memory will always live on and she will never be forgotten. In the short time that I knew her she touched my heart and left an imprint that will always remain. May God cherish the angel he gained, and may she watch over her family in joy of all that they will accomplish in the future.
