“ *Mel and Maggie together with Jack and Rosalie Leroy led our teens in the Congregational Church Youth Group. They were the best role models any teen could have; they took them camping, canoeing, and other outings too. This is a grateful parent for everything that Mel did with our kids growing up in the 70's. Rest in peace and be happy in heaven.* ”

“ *Many years ago our family attended David's graduation party at the Peacock home. And Maggie gave me some plants from her yard. We knew Maggie and Mel from Anchor Bay school activities... and I didn't know until today that Donna was a Peacock. There are many memories from the past that console us all. I send my condolences to the family...* ”
