“ My deepest sympathy to the entire Vollmer family. I am lucky to have shared some of my fondest memories with Pete, from talking politics to the inter workings of the golf swing and of course the many games of Sequence. My thoughts of him will always bring a smile to my face and I feel blessed to have known him.##imported-begin##Dan Calcaterra##imported-end##

“ Pete was one of the best people we have ever known. He was truly dedicated to his Faith, Family and Friends and he knew that would lead to good Fun. As director of the Hudson's Distribution Center he ws very business like and at the same time very compassionate and kind. Lorri missed him when he retired and he will be missed even more now.
This we know for sure, We can only dream of the party that Jesus has in store for us. Pete is actually living it. May God Bless Him and all of You "Real Good" with Peace and Love.##imported-begin##Lorri and Phil Mularski##imported-end##

“ This is a very sad time as we have truly lost a great man! Mr. Vollmer always included me in so many family events - from vacations, movies, dinners, you name it. He had such a warm welcoming way of making me feel like a part of the family, and he extended this welcome to everyone. His booming personality was inescapable and brought countless smiles and laughs. The world is not as bright without him. I know he is still laughing and now enjoying himself, but I am sad for all of us he left behind. Mrs. Vollmer, Alice and Beth - thank you for sharing him with all of us and my heart goes out to you as you mourn his loss. He is forever in our hearts and minds, with every memory firmly imprinted in our souls. All my love###imported-begin###Angela Sox ###imported-end##
