Tender Tribute - December 12, 2021 at 12:00 AM

“ Dear Mike, I have known you my entire 50 years of life. We had fun, laughed, and even shared sadness over the years. I remember the early days of going to the Tigers games, sharing the beautiful days out on the lake together, and I even remember the renovation project at my current home. That is just it. Your support to me and my family has been unconditional. If we called, you were there to always lend a helping hand. Thank you for all you wisdom and support. I'm proud to have called you my dear friend for years. You will always be my friend and I will miss you very much. As my late father would say "Who Loves Ya Baby" Steve Cavender

“ There are absolutely no words deep enough to express how my heart feels right now. Mikes strength throughout the last several months can only be described as crushing and inspiring all at the same time. God has taken a beautiful hard-working, caring, and intelligent man from us way too soon. My wish is that God will hold you close, Mike, and that he has enough to keep you busy up there. Rest peacefully, my friend, always...
