“ *Mike was a friend from my first week at Michigan State in the fall of 1991. He was always up for a good time, yet I don't think I can recall Mike skipping so much as a single class during his time in East Lansing. He was always focused and knew what he wanted to do in life. There are countless memories of Mike -- including his obsession with Whataburger on spring break 1995 in South Padre -- that we will always have. Most of them involve laughing until your stomach hurt. Our prayers are with your family during this difficult time. Rest in peace, Mike.*
