“ Dear Debby and Terry, I am deeply sorry for your loss. Michael was a brilliant person. I've know him since 5th grade for we had many classes together. Even seeing him in the halls in highscool, his jokes made me laugh, and he always lit up the room. Bus rides were always fun, and he lit my heart at the time when no one else could. I pray for his happiness up there with God, and that is pain and suffering is no longer an issue. I loved Michael, and I know many other people did too, and still do. I pray you and your family have the recovery and love that you need to keep the strength you all carry within you.

*Sincerely, Kaitlyn Lewicki*

“ *Debby and Terry:*  
*We are deeply saddened about the loss of your son Michael. What a tragic and unexpected loss. His life ended so soon, when it seemed to be just beginning. It is times like this that put our faith to the test. The Bible says "Blessed are they that mourn, for they shall be comforted". My God bless you and give you strength to get through this very difficult time. We hope that the outpouring of love and sympathy you are receiving is some consolation at this very sad time. You are all in our thoughts and prayers.*

“ Our sincere condolences to the Bruck Family. So sorry for your loss, parent should never have a child pass before them. I remember when Mike, Dwayne, and Dale were spending a lot of time together at our house during their young teenage years. At that time Mike was like my 3rd son, and he would call me Mom. Mike had very open heart that needed guidance which Doug and I tried to offer to him during that time and after. Mike will be very missed and remembered.

“ When I think of Mike, I remember the love he expressed for his little sister Grace. I hope the family can find peace in thought that Mike will continue smiling in the next life. I knew him when we were only kids at school and I am privileged to have been his friend. He influenced who I am today and he lives on in the compassion he showed to those fortunate enough to meet the caring individual that he was. I express my sincere sympathy to the family. God will grant him happiness.

“ I am so deeply saddened by this news. I have known Michael since elementary school. Recently, after years of not talking to each other, he reached out to apologize for a prior time that he teased me 15 years ago. (just as young children do) it takes a very special person to do something so wonderful like that. We went on to have a very meaningful conversation in which he told me how I have a beautiful family and how he was certain i will raise my son right. I will never forget his kind and genuine words. And to his family, I am so sorry for your loss. I hope you can find some comfort in knowing you raised a wonderful, kindhearted man.

*Michael, I will see you again in heaven.*

“ Dear Terry, Debby, and Family: Our hearts are indeed heavy and sad today after our son Michael - your Michael's childhood buddy - learned that Michael had passed away and notified us. We moved into the River's sub when the boys were starting 4th grade, and got to know your son Michael right away! He demanded that you know him LOL - such an engaging personality, always kind and polite, caring and loving. He spent time at our home and would occasionally stop by to say hello after high school graduation. I ran into him here and there in the community, and never ever had anything but a pleasant encounter with him. As you know, whenever you - Terry, Debby, and Grace walked past our house - even this summer - my question was always "how is Michael?" I loved him dearly, and know that he is resting in peace in the arms of the Almighty God. My heart goes out to you, and we send you love, prayer, hugs, and our deepest sympathy.

*I am so deeply sorry to hear of your loss. Michael had the best sense of humor when we were growing up, and I remember him coming over and hanging out with us in our pool...he thought it was so funny to splash up when we didn't want to get our hair wet and he'd say "then don't go in the pool!" :) You are such an amazing family with such a strong connection to your faith and I know you have a beautiful guardian angel smiling down at you. I hope you find some sort of comfort in knowing that you will be reunited with him again one day in heaven and he will always be forever young.*

“ My sincere condolences to the Bruck Family. Many good memories with "Lothar". He had German class with my older brother Andrew in junior high when we became friends, hanging out almost every day in summer 2008. After Shelby junior high, he went to Eisenhower and I went to Utica, and we lost touch. We reconnected recently when we went fishing at Stoney creek a couple times this last summer; he told us he had wanted to make a change in his life for the better, unhappy with how the last 5 years after highschool had gone. Everyone who knew Mike knew he had a short temper, and that he could easily clear a room by talking about politics or religion. But Mike's friends who understood him and his condition knew he was a gentle soul and praised his loyalty. You will be missed, brother. Ruhe in Frieden und Aufwiedersehen, Lothar! Your pal, Galer
