“ I initially knew Mike from my parents and his parents, as they were good friends. Mike and I were both in the same grade at Carter Jr. High and Warren Cousino High School. I remember Mike as a nice guy who was always very friendly. We were both in the graduating class of 1983 at Cousino. I was shocked to hear of Mike's passing. Sending thoughts and prayers to his family in this difficult time. Also, I posted information about Mike's passing on the Cousino Lost Classmates Facebook Group and over 80 classmates have reacted and/or provided a comment on his passing. Many classmates said they are praying for his family. If the family is able, please check out the group on Facebook to see the nice comments that were added about Mike. -Mary Ann Miller

“ I grew up with Mike. He lived down the street when we were little. Our parents were good friends. Mike was always such a very nice warm friendly guy. I enjoyed visiting him and Jimmy when they had the bar. Mike you left us way too soon. May you rest in peace with your mom and dad.

“ Mike you will always hold a special place in my heart. I feel I am the person I am today because of you. You shared your family and life with me. We were best friends and shared so many life's adventures together. Even though life took us in different directions, you have always been in my heart.

“ My Uncle Mike was a genuinely kind soul disguised in a big, gruff exterior with a gravelly voice. I'll never, ever forget his distinctive booming laugh. He was the life of the party! He truly enjoyed the little things in life like cheap beer and sitting in the woods and showed me how to live a life of joy in simplicity. I honestly shared some of my fondest memories in my lifetime with him, though we didn't share as much time together as we had hoped. I was just beginning to become closer to my big teddy bear of an Uncle and considered him a father figure in the absence of my own. He taught me a few of the most important lessons I'll ever learn, and I will miss him dearly. Everyone who was close to him will. A presence like his can never be replaced. But I believe that he has gone on to another reality and is still with us in spirit. To his Janey, his MJ, and his brother, my Uncle Jimmy - my heart goes out to you during this incredibly difficult time.
