“ Uncle Mike was such a joy to be around, and since I am unable to attend I would love to share one of my fondest memories of him. It was on my wedding day when our wedding cake was lost. Uncle Mike and Aunt Rita came all the way out to Denver for the wedding and he took it upon himself to track down the cake. It had been delivered to the wrong address, so he decided to miss the wedding and go get the cake. He delivered the cake to the right location and at that point it was melting. It was over 100 degrees on that particular day in June. He saved the day (which he always did) and we will forever be grateful!

*Ray and I will miss you so very much. We love you Uncle Mike!
All our Love, Sharon and Ray*
