“ *I have so many good memories with Mike. We met when I was 17 years old on a bowling league and we had great times bowling, fishing and playing cards together throughout the years. He hardly ever said anything mean to anyone and was liked easily by people. He loved hunting the most and took months to plan his trips. We made 4 beautiful children together and will miss not being able to talk to him at our grandchildren parties. Thank you Mike for the many good memories. RIP*
