“ My name is Tina Maruszewski. I met Michael Grube in the LBN Troy Summit group. Though I only knew Michael briefly, it didn't take much time to recognize he was a sincere person. Michael was always kind and had a great sense of humor! He will be truly missed. My deepest sympathies to his family and many friends.

“ We are heartbroken by the passing of your father, Steve. To think that we just enjoyed the fruits of his labor together a month ago - your cottage - makes it all the more difficult, but we take comfort knowing that his immeasurable love is forever in the hearts of everyone he touched. We smile knowing that he is smiling down upon all of us. Sending all of our love to you, Bryon, Ayden and your mother...

“Forty two years ago, two friends are sitting in a small boat fishing on a small remote island lake in the middle of Lake Michigan. They are sharing their dreams and aspirations for life. They are also planning a way to get back to shore without a paddle! Because life passed by us so quickly, I never thought to ask my friend if he ever fully accomplished his life’s dreams. As I watched him become a devout Christian, devoted son, loving husband, caring father, an awesome grandfather and best friend, I think I know the answer. I will deeply miss him in this life, but I am looking forward to the day when we will meet in heaven and talk again. Until then, my family and I will keep both Cathy and your family close to our hearts and in our prayers.

“ We have so many fun memories with Mike. We loved his laugh and wit. Game nights, breakfasts with everyone gathered around the table at Jimmy's on Sunday morning after church, holidays and our most precious memory because it's the last night I heard Mike laugh was our fun night at Sticky Fingers in Chattanooga.
Our hearts ache with you.
Love you,
