“ Mike, Thank you for stepping in and being a dad when Kayla was with you guys in Illinois. I appreciated that, as did Kayla. A fellow veteran, thank you for your service. We'll share a beer in Valhalla one day. It was good to know you over the years, I wish we had connected more often. I'm glad you're at peace now. Please give Candy a hug for me, and don't hesitate to keep watch over the girls. Rest easy my friend.
