“ Mike this just doesn't seem real, I keep thinking that I am going to wake up and this was all a bad dream. 😞
Everything happened so fast, one day your here and the next your gone. 😞
It broke Carla's heart to watch you suffering, we tried everything in our power to help you beat this, I guess God had other plans for you ❤️.
I will watch over Carla and your fur babies, even though Pixie drives me crazy 🐾🐾🐾❤️.
Please watch over us from above and tell the rest of the family that we love and miss them.
Until we meet again ❤️.

“ Carla
My prayers and thoughts go out to you and the Family. MJ was always my Guy we always talked sports and Trucks he worked hard and was very loyal and for that he always had my respect. It hurt me to tell him I was leaving Wolverine last year and he would often send me text that he missed me and ask how I was doing. He would try to phone prank me from time to time at Wolverine or just call to talk sports.

He was such a character with a Big Heart and I will never forget him and how dedicated he was to his family and work.

I still have some of his voice mails that I will keep just to make me smile or laugh when I am having a bad day.

MJ your always and forever my Friend!

Always

“ *Carla,
My heart is breaking for you. Sending my thoughts and prayers to you, and your family. I wish I could tell you it gets easier with time, but I can't. It will be three years that my honey left, in a couple of days, and it still hurts like it was yesterday. I miss talking to you. ❤️🙏*
